

REQUEST FOR FUNDING FROM THE ST. MICHAELS TOURISM BOARD

The St. Michaels Tourism Board (the Board), by its charter, is tasked to promote our destination through direct advertising. In addition advertising funds are disbursed in cooperation with the Talbot County Office of Tourism (TCOT) to permit the TCOT to take full advantage of any matching funds that may be available to it through the State of Maryland or other sources that may not otherwise be available.

In order to consider your organization's request for tourism promotion, we would ask that you please complete an Event Funding Form and forward it to Sabrenia L. Yohn, Administrative Clerk, Town of St. Michaels, 300 Mill Street, P.O. Box 206, St. Michaels, Maryland 21663. The Board meets the second Tuesday of each month and upon receipt of the completed form, your request will be placed on the agenda for discussion at the next meeting. We will then contact you after the meeting with the Board's decision.

In the meantime, if you have any questions, please do not hesitate to contact me at 410-745-5444.

Sincerely,

Jon Mason
Chairman, St. Michaels Tourism Board
